

# A DAY IN THE LIFE OF AN MRO IN SWEDEN

---

*Reflections on the art of policymaking and the role of social media  
and the internet in drug abuse.*

❖ In theory 350+ active

❖ In reality 120-150

❖ Is there a policy?

❖ If there is a policy what does it say?

❖ What does the company want to achieve by workplace drugtesting?

❖ What type of workplace drugtesting programme?

- 
- ❖ What to do with non-negative tests?
  - ❖ If positive what rehabilitation policy do the company have?

❖ Social media

❖ Internet

❖ Police?

❖ the Medical Products Agency?

❖ Facebook, Twitter etc.

❖ Chat rooms and debate forums
